

Greetings alumnae and friends,

As president of the National Alumnae Association of Spelman College-Atlanta Chapter (NAASC-Atlanta Chapter) I wish to thank you for your past support of the chapter.

If you are an alumna who is not a member of the chapter we invite you to join the sisterhood of women who are leaders in the community making a choice to change the world. I encourage you to attend meetings and events, volunteer for a committee, recruit young women to attend Spelman and to support the college financially.

As friends of the chapter your continued support is vital to the financial stability of the chapter and our scholarship fund. To promote support of your product or service, visitors of the website can click on the vendor's link obtaining your contact information to purchase your product or service throughout the year.

We invite you to use the National Alumnae Association of Spelman College-Atlanta Chapter website to obtain information about Spelman College, membership, chapter meetings and events.

Thank you for visiting our website.

Sisterly,
Sheila H. Louder, C'73, President
Atlanta Chapter
National Alumnae Association of Spelman College
